Legislation on commercial electronic messages has been updated subsequent to the amendment regulation published on 04.01.2020. Service providers are obliged to register with the Message Management System ("İYS") and must transfer e-messaging consents to the system before 01.06.2020.

Unfair Approach of Turkish IP Courts while Assessing "Bolar Exemption"

Patents and Utility Models
By Özge Atılğan Karakulak and Aysel Korkmaz Yatkın

The bolar exemption should not be interpreted in a one sided manner, rather in a more balanced way for innovative and generic companies. It is essential for both firms to determine whether there is an infringement in advance for "certainty".
