Turkey Legal Update

May 2018

Turkish Color of the Month

Born in Elazığ on the east of Turkey, Saim Dursun, depicts, with the warm liveliness of light and color on his spatula, the true Anatolian picture uncovering the strong willpower of Turkish people and their joy of life despite hardship. Painter Saim Dursun passed away in August 13, 2021 at the age of 62.

Key Developments and Predictions for Trademark Law in Turkey

Anti-Counterfeiting, IP Prosecution , Trademarks and Designs

By Gün + Partners

“The Industrial Property Code No. 6769 (“the IP Code”) which came into force on 10 January 2017 has been widely welcomed by brand owners as their rights have now been sealed through the introduction of this new Code. This paper summarises and analyses the key changes introduced by the IP Code in relation to trademarks and discusses the issues regarding their current implementation together with some predictions for the future.
