

Turkish Color of the Month

Born in Elazığ on the east of Türkiye, Saim Dursun, depicts, with the warm liveliness of light and color on his spatula, the true Anatolian picture uncovering the strong willpower of Turkish people and their joy of life despite hardship. Painter Saim Dursun passed away in August 13, 2021 at the age of 62.

Turkish Courts Invalidate Trademark for Similarity to Madran Mountain Spring Water

Trademarks and Designs  
By Uğur Aktekin and Begüm Soydan

The decision confirms that the signs that may mislead the public regarding the geographical source of a product are not registrable, regardless of whether the geographical source in question is registered as a geographical indication.

Surprise Boxes: Mystery or Risk for Consumers?

Technology, Media and Telecom  
By Baran Güney and Zeynep Berfin Ekinci

Following the recent surge in the popularity of mystery and surprise boxes, the Advertisement Board has placed the promotion of these products under review and has issued several significant decisions.

Artificial Intelligence and Pharmaceutical Industry: The Transformation in the Technology and Patent System Shaping the Future

Patents and Utility Models  
By Selin Sinem Erciyas and Zeynep Çağla Üstün

Turkish patent law and the UPC’s recent rulings on equivalence are converging toward a unified European standard grounded in functional identity—where technical reality, not fairness, defines the scope of protection.
