Expertise

Aysel Korkmaz Yatkın joined the firm in 2008 and became a partner in 2020. She specializes in intellectual property with a special focus on patents and utility models; insurance and reinsurance; dispute management and business crimes and anti-corruption practices.

With almost 15-years of experience on patents, she has been providing consultancy on all matters related to the patent law and has been leading numerous patent actions. With a vast advisory and litigation expertise particularly with regards to protection of patent rights, Aysel Korkmaz Yatkın also represents various pharmaceutical companies before the Ministry of Health in relation to the regulatory matters and gives support to these companies on regulatory matters during the audits conducted before the Ministry of Health.

She supervises the team in relation to strategy and policy setting issues, for comprehensive and complex mandates related to the insurance disputes and negotiates the settlement assessment. She has been providing consultancy on all matters and has been leading numerous commercial disputes with a vast advisory and litigation expertise particularly with regards to compensation actions, unfair competition claims, preliminary injunction, and enforcement of the preliminary injunctions. She has significant experience helping clients achieve positive outcomes across a variety of industries and sectors.
