Expertise

Dicle Doğan is a managing associate in Gun + Partners and she has been working for the firm since 2011. Dicle has been specialized on life sciences, data protection and privacy, competition and intellectual property with a special focus on trademarks and designs.

She advises corporate clients from life sciences sector, especially multinational pharmaceutical and medical device companies and industry associations. She advises and represents her clients on a wide range of issues including promotional activities, advertisement, labelling requirements, clinical trials, marketing authorization procedures, pricing and reimbursement regulations, and also assists clients in their day to day business activities. She is also experienced in cases of cancellation of administrative acts, including Regulations and Communiqués, issued by public institutions.

Dicle also advises corporate healthcare companies on the protection of personal data and privacy issues with respect to the collection and processing of data from healthcare professionals and patients. She advises life sciences clients with respect to their projects involving collection of any health data.

She also provides legal consultancy in the field of competition law for corporate healthcare companies and provides support to clients within the framework of investigations by the Competition Authority.

In the field of intellectual property, especially on trademarks and designs, in addition to counselling clients regarding their IP strategies and providing legal opinions, she has been involved in many litigation processes, where she represents the clients before the Courts in cancellation, invalidation, infringement, unfair competition actions and other types of actions. At the same time, she supervises and drafts oppositions and appeals on trademark and design applications before the Turkish Patent and Trademark Office.
