Expertise

Dicle Doğan is a managing associate in Gun + Partners and she has been working for the firm since 2011. Dicle has been specialized on Life Sciences, and intellectual property with a special focus on trademarks and designs.

She advises corporate clients from life sciences sector, especially multinational pharmaceutical and medical device companies, the Association of Research-Based Pharmaceutical Companies (AIFD) and the Association of Research-Based Medical Technologies Manufacturers (ARTED) in Turkey.

She advises and represents her clients on a wide range of issues including promotional activities, advertisement, labelling requirements, clinical trials, marketing authorization procedures, pricing and reimbursement regulations, and also assists clients in their day to day business activities.

Her litigation work centres on the intellectual property field particularly on trademark infringement and unfair competition, trademark invalidation and revocation actions. She is also experienced in cases where the cancellation of an administrative act such as Regulations is requested from the relevant public authority or from the Council of State.
