Expertise

Gökem Bilgin has been with the firm since 2012 and became a partner in 2021. His practice is focused on corporate and M&A, life sciences, energy and natural resources, and insurance and reinsurance practice areas.

Gökem's practice mainly concentrates on corporate and commercial law issues with a focus on merger and acquisitions and corporate governance issues. He has been involved in various M&A transactions and advised foreign and Turkish companies on their joint ventures, drafted and negotiated SPAs, SHAs and JV agreements, conducted the due diligence processes, and prepared and re-structured numerous commercial agreements.

Görkem also advises and represents clients from life sciences sector, especially multinational pharmaceutical and medical device companies in relation to their complex agreements and engagements with the authorities as well as their distributors and manufacturers.

Görkem advises clients, both national and international, on Turkish energy and natural resources legislation, providing advisory services in the areas of energy law.

Görkem assists insurance companies from the regulatory aspect, and he advises national and international insurance companies regarding localization of the insurance and reinsurance policies in Turkey.
